2. 1 Organization chart of ORE - D/AD, ORE
3. 1 Audio-visual floor plan - OOD
4. 1 Mark-up of ORE publication - D/AD, ORE

II. Progress, Developments, Problems, etc.

A. Progress continues as the various branches of the Presentation Staff become more widely publicized and the components of CIA begin to realize what can be done for them in these units. The Presentation Staff has submitted various revisions and proposals to further this end and bring its operating procedures and functions up-to-date. The following are now in the process of coordination and concurrence:

1. Revision of CIA 50-6
2. Revision of CIA 50-11
3. Proposed Administrative Instruction for Graphics Branch
4. Proposed Administrative Instruction for Operations Branch
5. Proposed ORE Op-Order for S/Pr
6. Proposed ORE Op-Instruction for S/Pr

B. The Situation Room is, at present, being put into condition to accomplish its designated function. Although much has been accomplished by the Presentation Staff, on its own, a meeting with the Assistant Director, ORE and his branch chiefs will soon be necessary to determine the entire scope to be covered by the room. Maps, charts and graphs have been put in presentable condition and indexed for ready reference. A list of maps, available for conferences and research purposes, will be published in the near future.
